# ATHENA MISSION LOGO CONSTRUCTION AND COLOURS

Shape: rounded, 10 cm diameter.

The outer ring must not be altered in properties, colours and shape.

The white ESA logo on the ring must be rendered with silver when applied to patches.

# DON'TS

The design must never be altered in any of its properties.

It must not be tilted, stretched or edited in any way. Its original colours must always be faithfully represented.

The artwork can't be used as a stand-alone illustration by removing the ring element.

Do not tilt

Do not alter proportions

Do not alter colors

Do not use as stand alone

Produced by
